STATE OF NORTH CAROLINA
OFFICE OF STATE BOARD OF ASSESSMENT
RALEIGH

*To His Excellency, O. MAX GARDNER, Governor, and the General
Assembly of North Carolina:*

In compliance with the statute, we herewith submit the annual report of the State Board of Assessment. The Board has considered and passed upon a large number of appeals of corporations and individuals with respect to the valuation of their property, but the changes made would be, in our opinion, of no public interest or value.

This report contains statements of collections on behalf of the General Fund and the Highway Fund by the Department of Revenue.

Respectfully,

STATE BOARD OF ASSESSMENT,

A. J. MAXWELL, *Chairman*

D. G. BRUMMITT

W. T. LEE

O. S. THOMPSON, *Secretary*

*The Legislature of 1927 required a short registration of six months at half fee and since then the registration period is by calendar years, although the books are on a fiscal year basis ending June 30th.

There has been only slight changes in rates of license and title fees. The rate of tax on gasoline has been changed, and was from March 6, 1921 to March 1, 1923, one cent per gallon; from March 1, 1923 to March 5, 1925, three cents per gallon; from March 5, 1925 to April 1, 1929, four cents per gallon, and from April 1, 1929 five cents per gallon.

The extra one cent per gallon from April 1, 1929, by special act created the County Aid Road Fund.

The amount collected, the funds to which credited and the source from which received is shown by periods to be as follows:
